

## Lowndes Associated Ministries to People, Inc. Volunteer Information Sheet

*Volunteers come in many shapes and sizes. Some give of their time, some give of their money, some give of their belongings, and some give of their expertise. Regardless of how you wish to contribute, you are desperately needed.*

Thank you for generously giving of yourself to our ministry. As a volunteer you will enjoy many rewarding experiences unlike any others. Participating as a volunteer brings not only valuable services to our clients but, also is absolutely gratifying. Please understand this form will be on file with us and can be changed at any time.

**You will never be forced to volunteer. If called upon you may simply decline.**
